Professor Emeritus of Radiology

Uppsala University, Faculty of Medicine, Sweden.

Medical Director Emeritus,

Department of Mammography, Falun Central Hospital, Sweden.

Consultant Radiologist for numerous Comprehensive Breast Centers in the United States.

Project Leader, Randomized Controlled Breast Cancer Screening Project, Kopparberg County, Sweden, 1977- present

President of Mammography Education, Inc. 1986 - present

Educational background

M.D., University of Pécs, Faculty of Medicine, Hungary

Sept 1961 - Sept 1967

Resident in Radiology at the Radiologic Clinic,
University of Pécs, Faculty of Medicine, Hungary

Sept 1967 - Oct 1971

Specialty Board Examination, Radiology, Hungary

Oct 1971

Doctor of Medical Sciences, Ph.D.

Hungarian Academy of Sciences, Budapest, Hungary

Apr 1978

License Swedish Medical Board, Stockholm

Apr 1980

Course in pedagogy for teachers. University of Uppsala, Faculty of Medicine, Sweden

Sept 1982 - Oct 1982

British Council Course on Epidemiological Methods.

Southampton, England

Apr 1984 - May 1984

Advanced Course on Quantitative Methods in Cancer Epidemiology. International Agency for Research on Cancer.
Lyon, France

Aug 1985 - Sept 1985

Professional employment and activities

Resident, Radiology Clinic, University of Pécs, Faculty of Medicine, Hungary
Sept 1967 - Sept 1970

Medical intern, University of Pecs, Department of Internal Medicine, Hungary

Oct 1970 - March 1971

Staff Radiologist, Assistant Professor, University of Pecs, Radiology Clinic, Hungary
Oct 1971 - March 1977

Staff Radiologist, University of Helsinki, Radiologic Clinic, Central Hospital, Helsinki, Finland
June 1974- Aug 1974

Staff radiologist, Turku University Hospital, Department of Radiology, Finland
August 1976

Medical Director, Department of Mammography, Central Hospital, Falun, Sweden

April 1977 - Oct 2010

Job description: Invited from Hungary by the Kopparberg County Council, Sweden. As the Medical Director of the Mammography Department, I was responsible for a Department consisting of two physicians, nine X-ray technologists and a clerical staff of four. I have been the Chairman and Medical Director of this unit since its establishment in 1977 until my retirement in Oct 2010. I am also the Director of the Kopparberg County mammographic screening program, which began in 1977. The Department of Mammography carries out breast cancer screening by mammography on 200-250 women a day. In addition, 15-20 referred patients are examined by mammography daily.

During the past 33 years more than 1,000,000 mammographic examinations have been performed by the Department of Mammography, Falun Central Hospital. The screening program started as a scientifically designed, controlled, randomized, population-based

trial carried out under the auspices of the Swedish National Board of Health and Welfare. My publications related to this project are included in the list of publications. Since 1987 service screening has been offered to all women aged 40-69 living in Dalarna (Kopparberg) county, Sweden and since 2010 to all women aged 40-74.

Academic Degrees

- Doctor of Medical Sciences, Ph.D., *Hungarian Academy of Sciences*, 1978.
- Associate Professor of Diagnostic Radiology,
University of Turku, Faculty of Medicine, Finland, 1982.
- Associate Professor (1983) and Professor (1998) of Diagnostic Radiology,
Uppsala University, Faculty of Medicine, Sweden.
- *Doctor of Honoris Causa*, March 2015, University of Pécs, Faculty of Medicine, Hungary.

Society Membership

- Associate of the Swedish Society of Medicine.
- Associate of the Swedish Society of Radiology.
- President of Mammography Education, Inc., Cave Creek, Arizona
- Honorary member of the Finnish Radiology Society
- Honorary member of the Hungarian Radiology Society
- Honorary member of the American College of Radiology
- Honorary member of the Hungarian Society of Clinical Oncology

Awards

- British Medical Association Film Competition Silver Award for "Positioning Techniques in Mammography, - 1984
- British Medical Association Film Competition Silver Award for "Galactography and Pneumocystography", 1985
- Recipient of the Terry Fox Award from the British Columbia Medical Association for contributions to cancer research, 1988
- Recipient of the Gold Medal from the Society of Breast Imaging, - 2001
- American Cancer Society's Distinguished Service Award, - 2001
- Recipient of the IMPACT Award for Lifetime Achievement in the Fight Against Breast Cancer by the National Consortium of Breast Care Centers, Inc. - 2002
- Recipient of the Pathfinder Award by the American Society of Breast Disease, 2006
- Recipient of the first Alex Margulis Award for Scientific Excellence from the Radiological Society of North America, 2012.
- Recipient of the tenth Alex Margulis Award for Scientific Excellence from the Radiological Society of North America, 2021

Teaching History

Course director and principal lecturer of more than 400 breast imaging courses since 1980 in Europe and since 1985 in North America, South America, Asia, Africa, Middle-East, Australia and New Zealand.
